

RED SAIL SPORTS WELCOMES YOU to the bright and breezy Caribbean island of Aruba, which boasts year round sunshine, brilliant azure water, beaches that glitter by day and casinos that are open all night.

There's no better way to discover Aruba's uniqueness than with Red Sail Sports — the island's watersports experts.

Explore the belly of a sunken German Freighter...enjoy the romance of a sunset aboard a luxury catamaran...search for treasures in our island-wide boutiques..or make a splash aboard a waverunner.

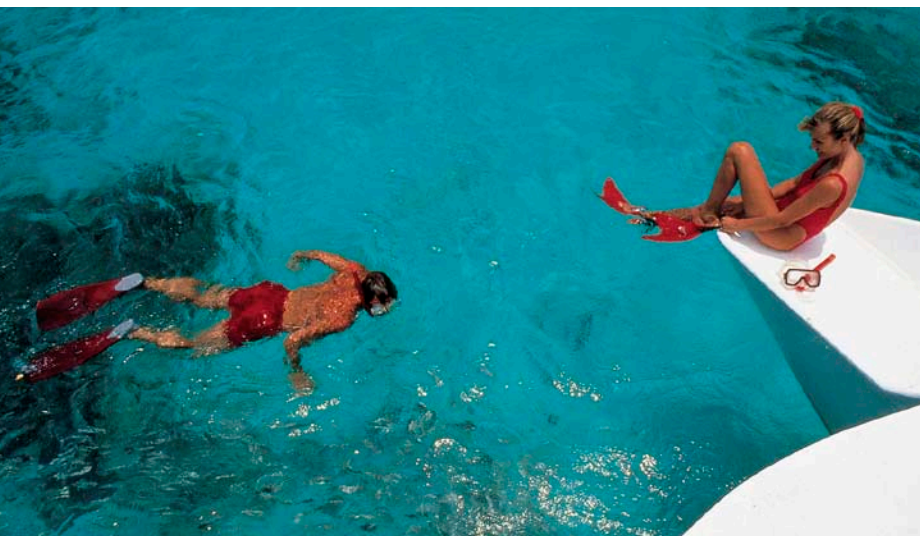

Whatever your sport or skill level, dive into the vacation experience you've always wanted with Red Sail Sports, the hottest name for Aruba sun, fun and thrills.

Since 1989 Red Sail Sports has been Aruba's largest full-service Dive and Watersports operator. We provide our guests with experienced, professional and friendly staff, top-notch equipment, and an assortment of exciting island activities.

Red Sail Sports has the most expansive fleet of catamarans and dive boats in Aruba and is the Exclusive Watersports Operator at these fine resorts:

DIVE.

Diving in Aruba is famous for the spectacular shipwrecks and interesting coral formations that dominate Aruba's underwater realm. This includes the 400-foot long "Antilla," one of the largest wrecks in the Caribbean.

Red Sail Sports boasts Aruba's most modern dive boats. We're the proud owner of two Pro 48 Rob Shirley dive boats named "Biba Bon" and "Pasa Bon" - ("Live Well" and "Have a Good Time" in Papiamento, the native language). Equipped with 750 total horsepower, and measuring 48 feet from pulpit to dive platform, these sleek, fast new crafts have a comfortable 392 square feet of open deck space to accommodate up to 24 divers and 64 scuba tanks. The boats are built with easy access to the dive platform featuring twin drop down ladders, a two-tiered photo table for camera and video equipment, plus fresh water showers for rinsing off. Rounding off the fleet is the custom designed 40' dive boat 'Vista Mar' ("View of the Sea").

SAIL.

Sail with Aruba's Watersports Leader...Our fleet of three luxury catamarans have a top speed of 35 miles per hour in Aruba's famous winds, but still offer an ultra-stable ride. Each catamaran features two marine bathrooms, two sunning nets, plenty of seating space, stereo music and a fully stocked bar. A special swimming ladder makes it easy for passengers to step into the water for snorkeling. A friendly crew of three is always on hand to make the sail a wonderful experience while they entertain guests with local music, dancing and storytelling.

Charter a catamaran for a special occasion such as weddings, birthdays, private dinners or corporate events!
